

Planche 170 - Editions:

The image displays a collection of 24 book covers, organized into a 4x6 grid. Each cover represents a different publication from one of four publishers: Syros, Téliemaque, Terre de Brème, and Thélème. The covers are diverse in design and genre, ranging from children's books to adult fiction and non-fiction. Some covers include promotional text or quotes, such as 'Le roman qui va vous faire planer très haut!' for a Syros book or 'Le nouveau roman de Sophie Chauveau' for a Téliemaque book. The publishers' names are prominently displayed at the bottom of each cover, often in a stylized font.
